Regulatory Branch

See Distribution List

Often Nationwide verifications must be extended one or more times on larger development projects because of the length of time it takes to complete the work. Therefore, after a recent discussion with Headquarters-USACE, in the future, Nationwide verifications in appropriate circumstances may be issued for up to five years.

Should you have any questions, please contact Ms. Alicia G. Riley at (757) 441-7389.

Sincerely,

A handwritten signature in cursive script, reading "Bruce F. Williams", is positioned above the typed name.

Bruce F. Williams
Acting Chief, Regulatory Branch
