

NO SEWER!! NOW WHAT???

Planning, Designing, Installing and Maintaining Sustainable Onsite Systems in Virginia

**Holiday Inn Select
Chantilly, Virginia
October 6, 7 & 8, 2004**

Join VOWRA and The Northern Virginia Planning District Commission as we explore the use of onsite systems in areas not planned for public sewer extension.

October 6, 2004
*Turkey Shoot & Golf Outing
Pre-conference Reception in Exhibit Hall
Dinner on Your Own*

October 7, 2004 (8:00 am – 5:00 pm)

<u>Track A</u>	<u>Track B</u>
<u>Alternative Onsite Wastewater System Forum</u>	<u>Wastewater System Basics A-Z</u>
<p><u>Planners, Builders, Developers, AOSEs, PEs, Regulators, Watershed Organizations, NVBIA Members</u></p> <p><u>Onsite Systems, What Are They?</u> <u>Management of Onsite Systems</u> <u>A Planners Perspective</u> <u>A Builders Perspective</u></p> <p style="text-align: center;"><u>Lunch</u></p> <p><u>Funding Decentralized Systems in VA</u> <u>Licensing, Certification & Training</u> <u>Compliance & Enforcement</u> <u>Panel Discussion</u> <u>Next Steps</u></p>	<p><u>Soil Consultants, Pumpers, Installers, Service Providers, System Inspectors, Realtors</u> <u>Dr. James Converse, PhD.</u> <u>University of Wisconsin, Madison</u></p> <p>This one day course provides an excellent overview of wastewater systems from A-Z. Learn about wastewater chemistry, inspecting and evaluating onsite systems, design basics and a thorough discussion of all system types from conventional septic tank drainfields to alternative systems. The course is designed for those wishing to take the written NSF Inspectors Test offered on Friday October 8, 2004 but is also a great course for new professionals in the wastewater industry, soil consultants brushing up for the AOSE test, Installers, Pumpers and others interested in a basic understanding of onsite systems, how they work and what they do.</p>

Thursday Evening Events

*Happy Hour with Exhibitors &
VOWRA Annual Membership Meeting
Including a VOWRA Brainstorming Session &
Officer and Board Member Nominations*

Dinner on Your Own

Friday October 8, 2004 (8:00am – 1:00pm)
